

Children are expected to read with an adult x3 a week and complete Mathletics x3 a week. Topic homework is optional but encouraged!

# TOPIC HOMEWORK

For Spring 2, our topic will be Ancient Greece. We will build our knowledge and skills to answer the question "What did the Greeks ever do for us?"

## WRITING

- Write your own myth
- Ancient Greeks were pioneers of philosophy. Answer the question "what makes you, you?"
- Write a fact file on an ancient Greek philosopher

## WELLBEING

- Create a sleep diary to track the time you went to bed, woke up, and how your night's sleep was. Create a calming bedtime routine to help your sleep.
- Challenge yourself to complete 5 'random acts of kindness'. Write down what you did and how you think these made other people feel.

## CREATIVE

- The Greeks created one of the world's first alphabets. Create your own alphabet and use it to write some facts about Ancient Greece.
- Create a design for a Greek pot depicting a Greek God or Goddess of your choice.
- Design your own Greek Acropolis

## READING

- Horrible Histories - Groovy Greeks
- The Children's book of Philosophy by DK
- Try reading some Greek myths such as Zeus, Hera, and Little Io • Athena, goddess of wisdom • Theseus and the Minotaur
