Community Summer Swim Scheme – Resus Training sessions

We are delighted to announce that we will be running the Community Swim Scheme again this summer for a payment of £40.00 per family. Details of how to sign up, register for the scheme and the resus sessions were emailed earlier today.

At least one adult per family/group must have completed the obligatory resuscitation training. We are offering a final date to complete this training at school - **Tuesday 30th April - 5.30pm.**

To clarify - You will not be able to take part in the swim scheme unless one adult family member has attended one of the resus training sessions.

Y3 Trip to West Stow

This week, year 3 took a trip to the Anglo Saxon Village at West Stow. The children were able to explore the amazing artefacts found at the site and they could even try on a replica helmet in the museum.

Later in the day, they were able to explore the village houses. We were fortunate enough to have a talk with the museum curator, who told us some very interesting facts. We had a great time and it was a brilliant way to end our topic.

Parent Consultations

Thank you to all the parents that were able to attend parent consultation appointments last week. If you were unable to attend, please contact your child's teacher via the office email or catch them on the playground to arrange to meet with them as soon as possible.

Bags2School Collection – Fri 26th April

Many thanks for your generosity and kind donations for the Bags2School collection. This will help significantly with school fundraising.

Linton Heights Fundraising Team

Website: Updated Year Group Pages

An up-to-date timetable, curriculum newsletter and opportunities for extended learning are now available on each of the year group pages on the website under Information (Pupils). Please take a look to find out what children will be learning about this half term and to give you ideas about how they could continue their learning at home. These activities are optional but we love to display and celebrate any work completed in school.

Y6 Residential Meeting

For those of you who missed the Y6 Residential trip meeting, the power point slides can be found on the website under Information (Pupils) - Y6 page.

Water Aid Donation

Thank you so much to everyone for your generous donations at the end of term for our 'wear something blue for Water Aid'. We raised over £241! The Eco-Council have chosen to spend £20 to buy a set of water hippos which will be installed in some of the school toilets. These should reduce the toilet flush by up to 2-3 litres, which will save the school money on its water bill. We will donate the rest of the money to Water Aid.

Camgrain Car Wash – Thank you!

Thank you so much to the Camgrain team who held a car wash last Saturday morning and raised a total of £556.70, which they have very generously decided to split between Linton Heights and the Infant school. We are very grateful and these funds will be used for much needed IT equipment for the children.

Recording child absence link

Thank you to all the parents who have been recording their child's absence via the online form. If you have recorded via the link, you do not need to phone or email as well as we will check the online form at morning registration every day. Please ensure you complete the absence log by 9am on each day of your child's absence. Please see the link below:
