Y3 Trip on River Cam

On Tuesday, Year 3 went to the technology museum in Cambridge located at the Old Pumping Station. This trip was combined with a trip down the river Cam. The children enjoyed the museum especially their STEM workshop. The journey down the river was full of information and children were able to identify and locate physical and human features. It was a lovely way to spend the day and celebrate our geography learning!

Sports Day – Monday 15th July am

Our annual sports day will take place on Monday 15th July. All parents and carers are warmly invited to attend. If parents arrive by 9am and make their way to the school field, it would be appreciated. Children will need to wear a top displaying their school colours – Rivey Green; Chilford – Red, Granta – Blue and Simmonds – white (due to the yellow shirts being attractive to insects). At 12pm parents are invited to join their children for a picnic meal on the field. Parents will need to provide their own food for themselves and their child.

Recording child absence link

Thank you to all the parents who have been recording their child's absence via the online form. If you have recorded via the link, you do not need to phone or email as well as we will check the online form at morning registration every day. Please ensure you complete the absence log by 9am on each day of your child's absence. Please see the link below:

Music and Maths at Saffron Hall

On Thursday afternoon, Mrs Webb and Mrs Mason took 12 pupils to an inspiring concert in Saffron Hall, Saffron Walden. The trip was an opportunity for our students to explore connections between the two subjects and to hear spectacular live music performed by world famous pianist Alexandra Dariescu. But most importantly it was also a chance to hear two affirming messages: consistent practise, of anything, always helps you achieve more and you don't have to be 'brilliant' at maths to enjoy it and do well!
