

Opportunities for
extended learning in...

Year 3

Spring 1 2025

All of these activities are optional and can focus on any aspect of next half term's learning.

Additional reading

- Pugs of the Frozen North
- The indestructible Tom Crean
- Emperor of the Ice

Wellbeing

- Keep a weekly timetable and note down the times when you are looking after your wellbeing
- Create a poster about you. Include positive affirmations about all the great qualities you have.

Places to visit

The Scott Polar museum in Cambridge

The Sedgwick Museum of Earth Sciences

The Cambridge Central library to see if you can choose a book by an author you've not read before!

Creative Arts

Do some research about an aspect of our topic and create something - you could create a diorama, create a model or write an information page about an animal of your choice. You might want to paint a picture of an Antarctic scene. Create anything you like! Please ask if you need paper or any other resources.

We would LOVE to display your work in school!

Our topic and aspects you could investigate

Climate Change
Sea Wildlife Extreme Weather
Harpreet Kaur Chandi MBE
Famous Expeditions
Ernest Shackleton

Remember to complete 3 reads a week and 30 minutes of Mathletics.
