### Autumn Term 1

Resilience

Respect

#### English:

In English, we will be looking at 'Float' by Daniel Miyares and writing our own stories. In Whole Class Reading, we will be reading the book *Treason*. This will link nicely to our History topic of 'What life was like in Tudor England'. Developing spelling will be a priority for the Autumn Term. We will follow spelling from the 'Sounds and Syllables' scheme as well as covering Year 5 statutory spellings.

#### Maths:

For the first few weeks, Year 5 will focus on numbers and place value to increasingly higher numbers. After this, the children will then spend the remainder of the half term working on the operations of addition and subtraction. The children will be learning how to use the formal written column method for both operations.
