Respect

**English:** In English we will be writing fiction narratives based on 'The Iron Man' and we will be building upon the grammar knowledge that we have learnt so far this year.

In Whole Class Reading we will be looking at 'The Great Chocoplot' this will link to our learning in Geography as it discusses the journey of the Cacao bean to a Cadbury bar!

**Maths:** Year 4 will learn about tenths and hundredths. They will learn how to count, order and record the decimals in different ways. They will begin to see the equivalence between tenths and hundredths, and will be able to compare and order the numbers. Pupils will learn to continue linear number sequences as well as round decimals to the nearest whole number. They will also link tenths and hundredths with dividing by 10 and 100.
