## Year 4 Curriculum Newsletter

### Summer Term 2

Resilience  
Ambition  
Respect

**English:** In English we will be looking at the short film from Disney called "Feast" and we will be writing a short narrative inspired by the film.

In Whole Class Reading we will be looking at "Bad Panda" by Swapna Haddow. This book was voted for by Year 4.

**Maths:** Year 4 will learn how to estimate and measure mass, volume and length. They will learn how to convert units of measure from larger to smaller, and vice versa. Pupils will also be taught how to measure perimeter using centimetres and millimetres. They will use their knowledge of measures to solve problems involving all three aspects of measurement.
