All Over the World

Ooh, ooh.

Everybody all around the world,
Gotta tell you what I just heard,
There's gonna be a party all over the world.

I got a message on the radio,
But where it came from, I don't really know,
And I heard these voices callin' all over the world.

All Over the World

All over the world,
Everybody got the word.
Everybody everywhere is gonna feel tonight.

Ooh, ooh.
Everybody walkin' down the street,
Everybody movin' to the beat,
They're gonna get hot down in the U.S.A.

We're gonna take a trip across the sea;
Everybody come along with me,
We're gonna hit the night down in Gay Paree.

All Over the World

All over the world,
Everybody got the word.
Everybody everywhere is gonna feel tonight.
All over the world.

London, Hamburg, Paris, Rome,
Rio, Hong Kong, Tokyo,
L.A., New York, Amsterdam,
Monte Carlo, Sharm El Sheikh, and...

All over the world,
Everybody got the word.
Everybody everywhere is gonna feel tonight.
Ooh, ooh.

All Over the World

Everybody all around the world,
Gotta tell you what I just heard,
There's gonna be a party all over the world.
All over the world,
Everybody got the word.
Everybody everywhere is gonna feel tonight.

Ooh, all over the world,
Everybody got the word.
Everybody everywhere is gonna feel tonight,
Is gonna feel tonight, is gonna feel tonight.
Ooh, ooh.

Sea Shanty Medley

Bound for the Rio Grande

Oh, say now, this town
It is no place for me.

Away, Rio!

I'll pack up my bags,
And I'll ship out to sea,
And we're bound for the Rio Grande.

And it's away, sailors, away!

Away, Rio!

And it's fare you well

My young heart's desire,

We are bound for the Rio Grande.

Sea Shanty Medley

Star of the County Down

Near Banbridge Town,
In the County Down,
One morning last July.
From a bothrin Green
Came sweet Colleen,
And she smiled
as she passed me by.

She looked so sweet
From her two bare feet
To the sheen of her
Nut brown hair.
Such a charming elf, I shook myself
To be sure I was really there!

From Bantry Bay up to Derry Quay,
From Galway to Dublin Town,
No maid I've seen
Like that sweet Colleen,
She's the star of the County Down!

Sea Shanty Medley

Blow the Man Down

I'll sing you a song,
A good song of the sea.

To me, way hey, blow the man down!

I'll trust that you'll join in
The chorus with me.

Give me some time
To blow the man down.

Blow the man down, bullies,
Blow the man down.

To me way hey, blow the man down!

Blow him right back, boys,
To Liverpool Town,

Give me some time
To blow the man down.

Sea Shanty Medley

Mingulay Boat Song

Heel you ho, boys,
Let her go, boys,
Bring her head
Round into the weather.
Hello you ho, boys,
Let her go, boys,
Sailing home
To Mingulay.

Wives are waiting
By the pierhead,
Gazing seaward
From the heather.
Bring her round boys,
Then we'll anchor
Ere the sun sets
On Mingulay

Sea Shanty Medley

Santiana

Santiana gained a day,
Heave away, Santiana.
“Napoleon of the West!”
they say,
All along the plains
Of Mexico, wup!

Heave her up, and away we'll go,
Away Santiana.

Heave her up,
and away we'll go,
All along the plains
Of Mexico.

Sea Shanty Medley

Wellerman

There once was a ship that put to sea,
And the name of that ship was the Billy o' Tea.
The winds blew up, her bow dipped down,
Blow, my bully boys, blow, huh!

Soon, may the Wellerman come
To bring us sugar and tea and rum,
One day, when the toungin' is done,
We'll take our leave and go, huh!

(repeat, without final 'huh'!)

Sea Shanty Medley

Leave Her, Johnny

I thought I heard the old man say,

“Leave her, Johnny, leave her.

Tomorrow you will get your pay

And it’s time for us to leave her.

Leave her, Johnny, leave her,

Oh, leave her, Johnny, leave her.

For the voyage is long, and the winds don’t blow,

And it’s time for us to leave her.”

Sea Shanty Medley

The Leaving of Liverpool

Oh, the sun is on the harbour, love,
And I wish that I could remain,
For I know it will be a long, long time
Before I see you again.

So, fare thee well, my own true love,
When I return, united we will be.

It's not the leaving of Liverpool that grieves me,
But my darling when I think of thee.

Sea Shanty Medley

The Irish Rover

On the fourth of July, eighteen hundred and six (1806),
We set sail from the sweet cove of Cork.

We were sailing away with a cargo of bricks
For the Grand City Hall in New York.

‘Twas a wonderful craft, she was rigged fore and aft,
Oh, how the wild winds drove her.

She stood several blasts, she had twenty seven masts,
And they called her the Irish Rover!

Sea Shanty Medley

Ten Thousand Miles Away

Sing ho for a brave and a gallant ship
And a fast and favouring breeze.
With a bully crew and a Captain too
To carry me over the seas.

To carry me over the seas, me boys,
To me true love far away.

I'm taking a trip on a government ship
Ten thousand miles away.

Sea Shanty Medley

Ten Thousand Miles Away

Then blow, ye winds, high ho.

And a roving I will go.

I'll stay no more on England's shore

To hear sweet music play.

I'm off on the bounding main,

And I won't be back again.

I'm on the move to me own true love

Ten thousand miles away.

I'm on the move to me own true love

Ten thousand miles away. Hey!

You'll Be In My Heart / On My Way

Come stop your crying, it will be alright,

Just take my hand, hold it tight.

I will protect you from all around you.

I will be here; don't you cry.

For one so small you seem so strong.

My arms will hold you, keep you safe and warm.

This bond between us can't be broken.

I will be here; don't you cry.

You'll Be In My Heart / On My Way

'Cause you'll be in my heart.

Yes, you'll be in my heart

From this day on, now and forever more.

You'll be in my heart

No matter what they say.

You'll be here in my heart always.

You'll Be In My Heart / On My Way

Tell everybody I'm on my way,
New friends and new places to see.
With blue skies ahead, yes, I'm on my way,
And there's nowhere else that I'd rather be.

Tell everybody I'm on my way,
And I'm loving every step I take.
With the sun beating down, yes, I'm on my way,
And I can't keep this smile off my face.

You'll Be In My Heart / On My Way

'Cause there's nothing like seeing each other again,
No matter what the distance between.
And the stories that we tell will make you smile,
Oh, it really lifts my heart.

You'll Be In My Heart / On My Way

So, tell 'em I'm on my way,
New friends and new places to see.
And to sleep under the stars, who could ask for more?
With the moon keeping watch over me.

Not the snow, not the rain can change my mind.
The sun will come out, wait and see.
And the feeling of the wind in your face will lift your heart,
Your heart

Part 1

Part 2

You'll Be In My Heart / On My Way

Part 1

'Cause you'll be in my heart.

Yes, you'll be in my heart

From this day on,

Now and forever more.

Yes, you'll be in my heart

No matter what they say.

You'll be here in my heart – always.

Always. Always!

Part 2

Tell everybody I'm on my way,

New friends and new places to see.

With blue skies ahead, yes, I'm on my way

And there's nowhere else that I'd rather be

Tell everybody I'm on my way

And I'm loving every step I take.

With the sun beating down, yes, I'm on my way.

And I can't keep this smile off my face.

Tell everybody I'm on my way.

You'll be in my heart always!

Move Towards the Light

There is hope for the future, be all you can be.

Look around and move towards the light.

Every day is a new day, just look and you'll see

So, turn around and move towards the light.

We all have our ups and downs, sometimes we lose our way.

Do your best to flip that frown, and soon you'll be OK!

Try not to stress, take a breath, have a rest!

When the rain has all gone, we can all see the sun!

Move Towards the Light

Let's keep working together

'Til our dream come true.

What's that sound?

Let's move towards the light.

We'll be singing forever.

That's just what we do,

Now, look we've found

The way back to the light, the light!

Move Towards the Light

Shine, let's shine on every day
And shine in our own way
Let's watch the whole world shine every day now.

Shine in every way, let's run to the sunlight!
Laughing every day, we're shining so bright now!
Watching all the people finding their way
To shine every day now.

Move Towards the Light

PART 1

Shine, let's shine on every day
And shine in our own way
Let's watch the whole world shine
every day now.

PART 2

Shine in every way, let's run to the
sunlight!
Laughing every day, we're shining so
bright now!
Watching all the people finding their
way
To shine every day now.

Move Towards the Light

When the rain has all gone, we can all see the sun!
The sun!

Let's keep working together - 'Til our dream come true.
What's that sound? Let's move towards the light.
We'll be singing forever. That's just what we do,
Now look we've found the way back to the light.
Now look we've found, yes, look we've found,
The way back to the light!

No Such Thing as Normal

Can you sing like no one's listening?

Can you dance like no one's watching?

Can you give like no one's counting?

Can you laugh like no one's judging?

Because there's no such thing as normal around here.

Everyone's a little bit * and a little bit *

You know there's no such thing as normal around here.

You have to be a little bit * to be a little bit *

No Such Thing as Normal

If you want to be a superhero,
You gotta wear your pants on the outside.
And to be a Hollywood rock star,
You've gotta have nothing to hide.
If there's a lightning storm in your way
You need an electric umbrella
You can wear yellow and black every day
(Well it's good enough for Batman).

No Such Thing as Normal

Because there's no such thing as normal around here.

Everyone's a little bit * and a little bit *

You know there's no such thing as normal around here.

You have to be a little bit * to be a little bit *

No Such Thing as Normal

Don't you want to know my name?

You think we're not the same,

But everyone's the same.

You should have a dance in my shoes;

I'm sure you would agree

You could be more like me!

If you meet me where I am,

We will meet you where you are,

You'll see there's nothing to be scared of,

Or is there?

No Such Thing as Normal

Because there's no such thing as normal around here.

Everyone's a little bit * and a little bit *

You know there's no such thing as normal around here.

You have to be a little bit * to be a little bit *

Everyone's a little bit * and a little bit *

It's good to be a little bit * and a little bit weird!

Wicked Medley

No One Mourns the Wicked

Good news! She's dead!

The Witch of the West is dead!

The wickedest witch there ever was,

The enemy of all of us here in Oz, is dead!

Good news!

Good news!

Wicked Medley

The Wizard and I

When I meet the Wizard,
Once I prove my worth,
And then I meet the Wizard,
What I've waited for since, since birth!

Wicked Medley

The Wizard and I

And with all his Wizard wisdom,
By my looks he won't be blinded.
Do you think the Wizard is dumb
Or, like Munchkins, so small minded? No!

He'll say to me, "I see who you truly are:
A girl on whom I can rely!"
And that's how we'll begin, the Wizard and I.

Wicked Medley

What Is This Feeling

What is this feeling, so sudden and new,

I felt the moment I laid eyes on you?

My pulse is rushing.

My head is reeling.

My face is flushing.

What is this feeling,

Fervid as a flame, does it have a name?

Yes!

Wicked Medley

Loathing, unadulterated loathing,
For your face, your voice, your clothing.

Let's just say:

I loathe it all!

Every little trait, however small,

Makes my very flesh begin to crawl

With simple utter loathing!

There's a strange exhilaration

In such total destination.

It's so pure, so strong!

Though I do admit it came on fast,
Still I do believe that it can last,
And I will be loathing,
Loathing you my whole life long!

Wicked Medley

One Short Day

One short day in the emerald city.

One short day, full of so much to do.

Every way that you look in the city,

There's something exquisite you'll want to visit, before the day's through.

There are buildings tall as quoxwood trees,

Dress salons, and libraries,

Palaces, museums a hundred strong.

There are wonders like I've never seen,

It's all grand, and it's all green.

I think we've found the place where we belong.

Wicked Medley

One Short Day

I want to be in this hoi polloi,
Si I'll be back for good someday
To make my life and make my way,
But for today we'll wander and enjoy!

One short day in the emerald city.
One short day to have a lifetime of fun.
One short day, and we're warning the city,
Now that we're in here you'll know we've been here
Before we are done.

Wicked Medley

For Good

It may well be that we will never meet again
In this lifetime, so let me say before we part
So much of me is made of what I learned from you.
You'll be with me like a handprint on my heart.
And now whatever way our stories end,
I know you have rewritten mine by being my friend.

Wicked Medley

For Good

Like a ship blown from it's mooring
By a wind off the sea,
Like a seed dropped by a skybird
In a distand wood,
Who can say if I've been changed for the better?
But, because I knew you, because I knew you,
I've been changed for good.

Wicked Medley

Defying Gravity

I'm through accepting limits
'Cause someone says they're so.
Some things I cannot change,
But 'til I try I'll never know.
Too long I've been afraid of
Losing love I guess I've lost
Well, if that's love,
It comes at much too high a cost.

I'd sooner buy defying gravity.
I'm flying high, I'm defying gravity,
And soon I'll match them in renown,
And nobody in all of Oz,
No Wizard that there is or was,
Is ever gonna bring me down ...
Ah.

Shackles (Praise You)

Take the shackles off my feet so I can dance.

I just wanna praise You.

I just wanna praise You.

You broke the chains, now I can lift my hands,

And I'm gonna praise You.

I'm gonna praise You.

(Something Inside) So Strong

Something inside so strong.

I know that I can make it

Though you're doing me wrong, so wrong.

You thought that my pride was gone, oh no!

There's something inside so strong.

Woah, something inside so strong.

Disco Fever

Sir Duke

Music is a world within itself,
With a language we all understand,
With an equal opportunity
For all to sing, dance and clap their hands.

But just because a record has a groove,
Don't make it in the groove,
But you can tell right away, as letter 'A',
When the people start to move.

They can feel it all over,
They can feel it all over people.
They can feel it all over,
They can feel it all over people.

Bap, ba da bap ba da bap,
Ba da ba da da ba da

Power In Me

When the race is nearly done and I feel I can't go on,
I know I can do something about it.

My heart will start to race, my body find the motion
And I will feel empowered from within.

I've got the power in me, you've got the power in you

I've got the power, p p power, got the power in me.

Nobody's gonna hold me back, nobody's gonna silence my words

Nobody's gonna close my mind, I've got the power in me!

Power In Me

When someone's needing help and the world just walks on by,
I know I can do something about it.

I'll stand up for their rights, my voice will find the words
And I will feel empowered from within.

I've got the power in me, you've got the power in you

I've got the power, p p power, got the power in me.

Nobody's gonna hold me back, nobody's gonna silence my words

Nobody's gonna close my mind, I've got the power in me!

Power In Me

When my mind is closing down and I'm lacking inspiration,
I know I can do something about it.

No one can stop me learning, create my dreams and future
And I will feel empowered from within.

I've got the power in me, you've got the power in you

I've got the power, p p power, got the power in me.

Nobody's gonna hold me back, nobody's gonna silence my words

Nobody's gonna close my mind, I've got the power in me!

Pop Medley 2026

Whatever

Deh der dum, deh der dum,
Deh der dum, yeah, yeah. (x2)

One day, I don't wanna wake up wondering,
Wondering where's all the time go.
One day, I don't wanna be stuck
With a page full of plans that I made no time for.

Pop Medley 2026

Whatever

It's been a minute, yeah,
We talk about life but I wanna live it.
I wanna live it, with you, mm.

Whatever, whatever you wanna do,
Down for whatever as long as it's with you.
Nothing but time, we got nothing to lose,
Down for whatever as long as it's you.

When you're with me,
Nowhere I'd rather be,
Yeah, yeah.

Whatever, whatever you wanna do,
Down for whatever,
As long as I'm here with you.

Pop Medley 2026

Fearless

There's something 'bout the way the street looks when it's just rained.

There's a glow off the pavement.

You walk me to the car, and you know I want to ask you to dance right there,

In the middle of the parking lot.

Yeah 'cause I don't know how it gets better than this.

You take my hand and drag me headfirst, fearless,

And I don't know why but with you I'd dance

In a storm in my best dress, fearless. Oh, oh, oh, yeah.

Pop Medley 2026

What Was I Made For?

I used to float,
Now I just fall down.
I used to know,
But I'm not sure now.
What was I made for.
What was I made for?

Taking a drive,
I was an ideal.
Looked so alive,
Turns out I'm not real,
Just something
you paid for,
What was I made for?

'Cause I, I,
I don't know
How to feel.
But I wanna try.
I don't know
How to feel,
But someday I might,
Someday I might.

Pop Medley 2026

Stargazing

Oh, ooh (x3)

Time stood still, just like a photograph.

You made me feel like this could last forever.

Looking in your eyes,

I see my whole life.

Oh. They say you know it when you know it, and I know

Oh. Promise that you'll hold me close, don't let me go.

Pop Medley 2026

Stargazing

Take my heart, don't break it.
Love me to my bones.
All this time I've wasted,
You were right there all along.
You and I stargazing. Intertwining souls.
We were never strangers,
You were right there all along.

Oh, ooh (x3). All along. Oh, ooh (x3)

Pop Medley 2026

Out of Time

Somebody, somebody help me.

I might lose my mind

Like a melody, melody,

Looping on repeat.

Rather be, rather be chasing sunlight,

Dreamy-eyed like a memory, memory, fading endlessly.

Pop Medley 2026

Out of Time

Finally, finally hit my limit,
Get me off this ride
Before I'm out of time,
Before I'm out of time.

Pull me in closer,
Please don't let me go.

Finally, finally breathing deeper,
Get me off this ride
Before I'm out of time,

Pop Medley 2026

Legendary

Oh, oh, oh, oh.

Who are you and who am I

To think that we could ever fly?

It don't pay to even try;

Work, get paid, and just get by.

Sons of sons, bricks on bricks;

What's broken you don't try to fix.

'Round here, there ain't no whys and ifs;

You don't pick up what you can't lift.

Pop Medley 2026

Legendary

I raise my hands up to the sky,
Don't need more to tell me I'm alive.

Got what I want 'cause I've got what I need,
Got a fistful of friends that'll stand up for me.
Right where I am is where I wanna be.
Friday night comes around like a song.
Sweet Caroline and we all sing along.
Got my brown-eyed girl, And she believes in me,
Legendary. Oh, oh, oh. Ah!
