

Opportunities for
extended learning in...

Year 4

Spring 1 2026

All of these activities are optional and can focus on any aspect of next half term's learning.

Additional reading

- Into the volcano
- Roman Mysteries - The secrets of Vesuvius
- Escape from Pompeii

Wellbeing

- Keep a weekly timetable and note down the times when you are looking after your wellbeing
- Create a poster about your class. Include positive affirmations about all the great qualities your friends have.

Places to visit

The Sedgwick Museum of Earth Sciences

The Cambridge Central library to see if you can find a book about volcanoes.

London Science Musuem

Creative Arts

Do some research about an aspect of our topic and create something - you could create a lego model of the earth's layers or construct a model volcano out of clay. You might want to paint a picture of a real life volcano using water colours or poster paints. Create anything you like! Please ask if you need paper or any other resources.

We would LOVE to display your work in school!

Our topic and aspects you could investigate

Climate Change
Pompeii Natural disasters
Mount Etna
Krakatoa
Find out about volcanologists and what they do

Remember to complete 3 reads a week, 30 minutes of Mathletics and Spelling Shed.
