

Opportunities for  
extended learning in...

# Year 4

Summer 1 2026

All of these activities are optional and can focus on any aspect of next half term's learning.

## Additional reading

- The Great Kapok Tree
- The Explorer
- Journey to the river sea
- Running Wild
- The Vanishing rainforest

## Wellbeing

- For each day of the week, write day one thing that made you smile.
- Each day of the week, spend 10 minutes on something you love and 10 minutes helping somebody. Think about how doing these things makes you feel.

## Places to visit

- The Botanic Gardens in Cambridge
- The Library to find books about the rainforest
- The Linton Zoo - can you find any animals that originated in the rainforest?

## Creative Arts

This half term we are learning about the Rainforest.

You could create a diorama showing the layers of the rainforest and its wildlife.

Remember to complete 3 reads a week, 30 minutes of Mathematics and 30 minutes of Spelling Shed
