## Year 5 Curriculum Newsletter

### Summer Term 2

Kindness  
Self-Belief  
Creativity

#### English:

In English the children are studying a poem called 'The Malfeasance' where we develop our own ability to use poetic devices to create our own poems. We will have the opportunity for creative writing as well as some discrete grammar lessons. In Whole Class Reciprocal Reading we will be reading a range of text types (comics, speeches, scripts and more!).

#### Maths:

Pupils will begin this term covering a unit on area and perimeter followed by a unit on volume. These units will be interspersed with our assessment week (commencing 9<sup>th</sup> June) and problem solving linking to different areas of maths covered this year.

#### Science:

Making Connections: Does the size of an asteroid affect the diameter of its impact crater?

[Kapow link to Making Connections](#)

Animals: Human Timeline

#### Music:

In music this half term we will be working as a whole class ensemble, bringing together our instrumental skills and musical knowledge to create whole class and smaller group performances.

#### Enrichment:

Martial Arts workshop - Friday 5<sup>th</sup> June

Sports Day - Wednesday 17<sup>th</sup> June

#### Reminders:

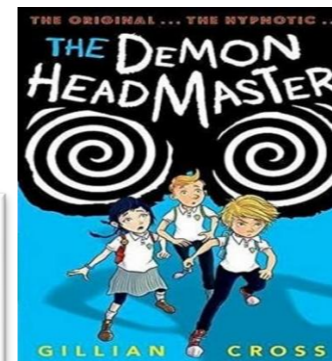

PE days: Wednesday and Thursday

Move up days - Wednesday 8<sup>th</sup> and Thursday 9<sup>th</sup> July

#### PSHE:

Citizenship
